# OPEN INTEREST IN WHEAT

IS NOT BELIEVED LARGE

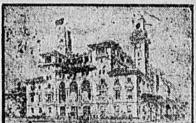

IS NOT BELIEVED LARGE

But Holdings Are Concentrated-Sales at Chicago Amount to 670,000 Bushels, All to Go Abroad.

CHICAGO. December 4.—While the open interest in December wheat is not believed to be large, the holdings are concentrated. This fact means a great deal. In addition, the holders of December are also large holders of the cash article. It will be remembered that enormous quantities of the December future were liquidated by longs only a fortnight since, and that it was generally believed that the larger cash handlers, as well as the larger speculators were out of that month. It now develops that the shorts in December wheat will be obliged to bid the price up, in order to even up their positions. It is suggested by some that much higher prices are possible for this month, and that, in this case, there is a likelihood of the May fuure advancing also. There was no let-up in the cash business on expert account ro-say. Sales at Chicago amounted to 50,000 bushels, silt to go abroad, in addition, there were other sales in the Southwest. A round lot of flour soid for expert at Minneapolis, and there were exports of flour here at advanced prices. Wheat has advanced to 326,000 bushels being soid at Duluth on Thursday. There were many complaints of the inability to secure vessel room for the shipment of wheat abroad. Offerings of new Argentine wheat are in advance, and this grain was 3d, lower at July Bartier, and the strength of the lack of moisture in the Moirralka and a few other States. They were additional few other States. They were additional complaints for monthing on as well as a year ago, and 102 last July.

Advances were shown of ½ to ½c in the corn market, and resting spots were at
